Alfriston Rd resurfacing - Temporary Road Closure

Kia ora,

Our role is to ensure that people can move around the city easily and safely. We carry out regular maintenance and repair work on the network so they can do this in an easy and efficient manner.

We have identified that road surface on **Alfriston Rd** needs to be replaced.

How this affects you

Where	Alfriston Rd, Alfriston
When (start date)	07 January 2025 (weather permitting)
Hours of work	24/7 Working day and night
What we will be doing	This maintenance work will address the dig out of the current road surface and replacing that with new Asphalt.
For (duration)	3½ weeks (continuous road closure) weather permitting

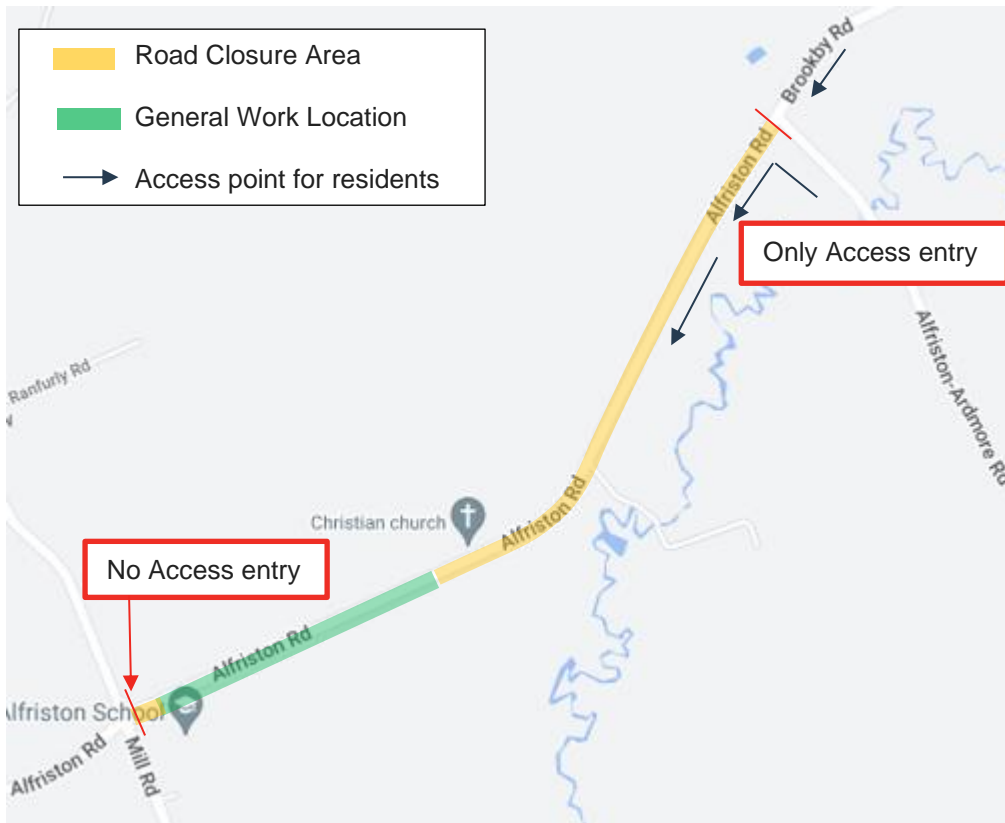

Traffic Management, Detours and Property Access

- We will need to close Alfriston Rd between Mill Rd / Alfriston Rd roundabout and Brookby / Alfriston-Ardmore Rd intersection. A signposted detour route will be in place via Alfriston-Ardmore Rd and Airfield Rd.
- Access to directly affected properties will be managed by our traffic control team on site.

[Residents on Alfriston Rd, will exit and enter Alfriston Rd from the Brookby and Alfriston-Ardmore Rd intersection.](#)

- Our team is there to help so please speak to our crew and let them know if you have any specific access requirements. We will do our best to accommodate residents and visitors' requirements as safely and efficiently as possible.
- Please reduce your speed when driving within the road closure area as there may be work vehicles moving in and out of site.
